

# **Menu Chez l'Hêtre**

Chez l'Hêtre only works with fresh homemade products. Our kitchen brigade is inspired by what the season and the market has to offer. Due to the use of fresh products, it is possible that the menu deviates.

We are happy to take you on a culinary journey at Chez l'Hêtre. That is why we have put together our Chez moments for you. A menu that can be expanded up to 7 moments.
