

## Wine list Chez l'Hêtre

Chez l'Hêtre's wine list has been carefully curated over the years to what it is today.

Different wines have been selected for you and many different areas are represented. Principles that we use when tasting, analyzing and classifying the wine are easy to trace:

*Quality, recognizability, balance and in harmony with the dishes from the kitchen.*

We offer a matching wine arrangement for each menu, which has been specially composed for this.
